Pater Noster High School
2911 San Fernando Road
Los Angeles, California**

Dear Brother Alphonsus,

In the past two years, Pater Noster has witnessed great progress and development. This has been due in large part to your selfless devotion and dedication to the Student Body's welfare. We believe that the spiritual, intellectual, and physical training that we have received at Pater Noster to be of such a nature as to enable us to cope with the demands of a rapidly changing world.

As a token of our appreciation, Brother Alphonsus, we dedicate our 1967 EAGLE to you. Thank you for your sincere interest in us.

Respectfully,

THE STUDENTS OF PATER NOSTER

Senior Class Officers

Four years have elapsed since the Class of '67 entered Pater Noster as freshmen. We have seen Pater Noster grow from a relatively unknown school to the respected institution it is today.

It is very difficult to relate the apprehensions we had as freshmen in September of 1963. Today as we look back on our four years, we feel that our class has made a substantial contribution to the advancement of Pater Noster's reputation.

Now as we prepare ourselves to meet the unknown future, we must express our gratitude to the Brothers, lay teachers, and coaches who have disciplined us spiritually, mentally and physically in order that we may become mature Christian men.

In appreciation for the aid they have given us, we will do all we can to make those associated with us in our four years of high school proud.

Treasurer, Dave Farr

In this past year the road has been slow and rough, but the wheels of progress have accomplished a few unprecedented achievements with astounding effects. Within this last year the spirit of the Student Body rose to a level never before equaled. This change can be credited to a publicity committee, an increased number of rallies and greater student cooperation. The publicity committee was a five or six man team dedicated to the job of papering the school inside and out with posters before big games and events. Thanks to a dedicated few who struggled against overwhelming odds, the students of Pater Noster have a "Knight" to remember. With increased school spirit and continued dedication, Pater Noster will continue to live and grow in the hearts of all those associated with this foundation.

This year's Varsity Cross-Country team was composed of a small group of fine outstanding young athletes. Illness and injuries throughout the season didn't prevent them from turning in a fine performance.

Vincent Lopez and Tony Villasenor received M. V. P. Awards. John Benage, Conrad Padilla and Dennis Eagan also received outstanding performance awards.

The future looks bright. Next year's team will be considerably larger.

Junior Varsity

This year's J. V. squad was very small. Several of the runners had to fill Varsity spots, and as a result the team had a poor season. However, in the Santa Fe League Finals the team placed third. Next year's team will be much larger - so the future looks bright.

Disappointment was the word for Soccer this year. The Varsity won 5 of their first 7 games, but in the last half of the season lost 5 out of 7 games. Injuries and the improved play of the other teams in the League can account in part for the late season losses.

With 11 out of 16 Varsity players coming back and some prospects from the J. V. s, Soccer should improve next year.

First Football Season Climaxed By Homecoming Victory

In our first football season in the school's history we had a tough schedule to follow and the Eagle varsity was more than equal to the task. Winning only one game while losing eight might seem an unsuccessful season but Pater Noster did itself proud. Two of our opponents went to the C. I. F. playoffs and two others were runner-up in their leagues. Although we gave up size, speed and 3 to 4 years of experience to our opponents the Eagles were tremendous on occasion and because of dedication, hard work and great team spirit they were close to victory in some games and overwhelmed two year old Agoura in our Homecoming game 51-6. I wish to thank the parents, faculty and student body for fine support and to congratulate the men on the team for outstanding hustle, spirit and dedication. They have set an example which next years team and those to come will follow and in so doing win the Santa Fe League for Pater Noster.

The JV season was marked by continual improvement, as indicated by the statistics. In the early games, the team suffered defeats that would dishearten most squads. But the spirit of the JV's may be gauged by the fact that they were able to complete the season not only with a victory but also with a shut-out. In some losses the team was victorious everywhere but on the score board. In both the St. Genevieve and Fairfax games, the team gained over 300 yards, whereas the opposition gained a mere 150 yards. The only fault that could be found with the team was lack of depth.

I hope that all the members of the squad will maintain their spirit and enthusiasm as varsity players.

COACHES MOST VALUABLE PLAYER--Wayne Encinas

Our first Freshman football team showed the kind of spirit and perseverance that should make Pater Noster one of the most respected C. I. F. football powers. Starting slowly the mighty Freshmen came roaring back with three overpowering football victories. The 42-0 victory over Elsinore earned a special place in the hearts of Eagle fans, as it was the first football win in the schools short History.

Eagle Freshmen were led offensively by the hard running of backs Wayne Encinas and Ed Martinez, along with the fine field generalship of quarterback John Atwell. The defensive team was spearheaded by great play from Larry Lingua, Vince Meyer, Rick Raimondo and Andy DeCaro.

In their last effort of the season the Freshmen joined forces with the Junior Varsity in a convincing victory over a stubborn Hollywood foe.

Congratulations Freshmen on a tremendous football year.

Basketball Season Resounding Success

Varsity Basketball had one of its best seasons ever this year. With eight returning lettermen, though none taller than 6 ft. 2 in., the team provided a wealth of experience for its new coach. Because of the obvious height disadvantage the team had to make up for this with a tight man-to-man defense and full court press. Defense was so stressed that the offense was considered a month behind at the opening of the season.

Highlights of the pre-season were resounding victories over Camino Real rivals Crespi, St. Monica's, Murphy, and Angelus champion Cantwell. The Golden Eagles were shut out of the Amat-Bassett Tournament but rebounded with a second place finish in the Monica's Tournament.

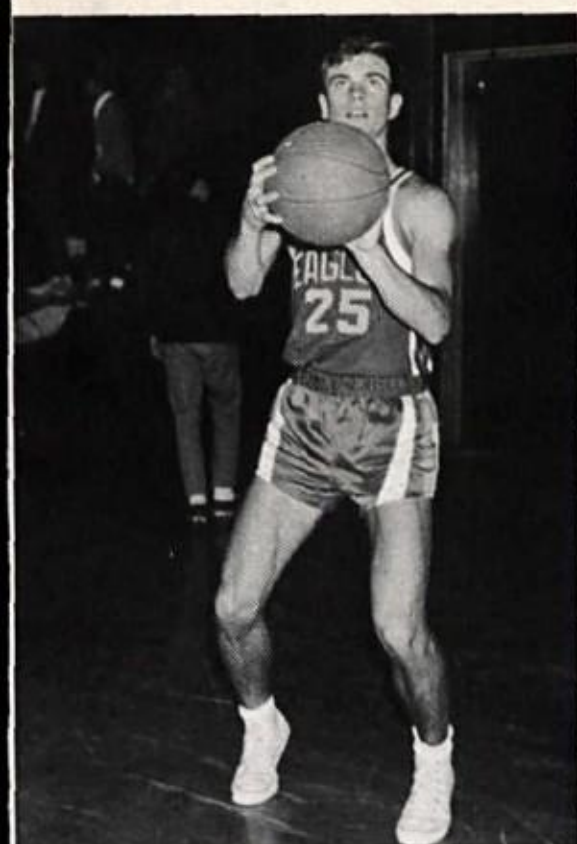

The Eagles created a five straight win streak in league play, including St. Francis's first loss in league before falling to eventual champion Alemany. The last game of the first round against La Salle saw many school records fall. The final total of 106, combined scores of both teams, 64 points in the second half, 36 pts. in the third quarter, and an individual record of 37 pts. by Sherick all were records. The second round was fatal for the Eagles as they lost three games— Mission, St. Francis, and again Alemany. These three losses eliminated us from a playoff bid for C.I.F. and placed the Eagles in third place with a 10-4 record.

A special thanks must be paid to both students and parents for their tremendous support of the team, including the first turnaway crowds in the school's history. Those in attendance at the games saw Eagle basketball at its best.

"Your job this year will be to play and give experience to everybody," said Coach Tardie. Taking this advice and using the premise that we were to look ahead for the Varsity team, I feel that our year was very successful. Although hampered by a slow start, the team and players themselves progressed. Towards the end of the season we were at our peak.

The team had a mixture of Freshmen, Sophomores and one Junior. The Frosh players were led by Dave Height (rebounder and center) and John Carrillo (forward and sometime post). Dan Ramirez was a guard and did fine work on defense and at offensive playmaker. The Freshmen were rounded out by Dinius and Lugo who showed signs of future ability.

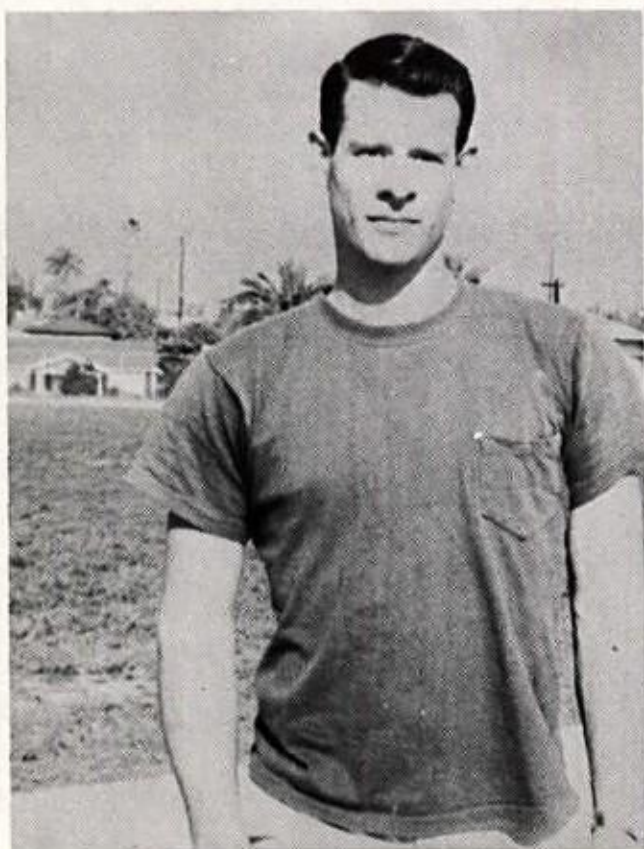

We had several fine Sophomore prospects in Jim Taylor, Henry Moreno, Pat Henry and Jim Lee. Taylor had the hottest night of the year as he led us to a second victory over a fine St. Francis team. Moreno at guard was our most consistent player, averaging 10 points per game and 5-8 rebounds. Lee was the real leader on the floor and off. He was elected Captain and hustled every minute. Pat Henry dropped down from the Varsity to give us board strength, and added greatly to our defense. Finally there was Junior Frank Morris who did a fine job and added scoring punch with his soft touch.

A Message From The Editor

This last year has been a growing, changing year for Pater Noster. We had our first football team, which represented us well. Next year Pater Noster will enter Santa Fe League competition in football, something to look forward to. Our basketball team had an excellent season and was eliminated from C. I. F. only at the wire. A new Biology lab and an Educational Television System were installed. As a result of these things, school spirit was at a level never before reached. I hope the '67 Eagle does justice to this eventful year.

A yearbook is quite a job and I would like to thank Mr. Hall and Mr. Stephenson for their help in reaching our deadlines. A special thanks to everyone at Christy and Shepherd for their help with our pictures. It has been an honor to give the Student Body this yearbook, I'm glad it was my honor.
